**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose a small competitor, because the main providers are capping my internet connection. All main providers are capping, this is the only provider which offers a real unlimited plan.

I'm just a regular internet user, but my total internet usage goes over 1 TB a month. Comcast wants an additional \$50 a month, Sonic offers it for free.

I had fiber before, but had to switch to DSL to remove data caps.
